

From Editor's desk:

At the outset, I am grateful to our beloved Chancellor Prof. Vel. Shri. Dr. R. Rangarajan for having initiated this idea of bringing out the newsletter and supporting its publication. I thank the Pro-Chancellor Dr. Mrs. Sakunthala Rangarajan and Trust members for their kind approval and constant encouragement. I express my sincere thanks to our respected Vice-Chancellor Dr. Rangarajan Mahalakshmi, K for giving me an opportunity to edit the newsletter of Vel Tech Dr. RR & Dr. SR Technical University. I thank our Director Mr. K.V.D. Kishore Kumar for his valuable suggestions and constant encouragement.

Being an Editor is a responsible work. I am fortunate to have a dynamic Editorial Committee consisting of faculty members and students hailing from all over India. The committee members have given me a lot of valuable help and good suggestions. Many faculty members and students have contributed their articles for the newsletter. In the months to come, I expect more participation from the students of Vel Tech Dr. RR & Dr. SR Technical University. It is the desire of the Management that our newsletter builds a bridge of understanding, connecting the students and their parents with VTU.

I take this opportunity to thank our Registrar Dr. M.Koteeswaran for his innovative ideas and encouragement. I thank our Dean (Academic) Dr. E. Kannan for his motivation to bring out this newsletter. I thank the faculty members of English Department for their untiring work in bringing out this first issue.

Hundreds of events, seminars, conferences, M.O.U.s and International Visits involving Vel Tech DR. RR & DR. SR Technical University have taken place in the past three months. Due to constraint of space, I have selected very important events for publication. So the contents of the newsletter are not exhaustive. I request the readers to send their suggestions, articles and feedback to vtunewsletter@vel-tech.org

Dr. S. Ganesan,
Editor.

Editorial Committee STAFF
