**for Immediate Publication**

**Veltech University, Chennai and CEMILAC & HAL BANGALORE organizes**  
**a Seminar on “Helicopter Technology” for Aeronautical Engineering Students & Professionals**

**Chennai, 14<sup>th</sup> August, 2010:**

Chennai based **Dr RR & Dr SR Technical University** has established more than 25 courses in establishing under six faculties of Electrical & Electronics, Mechanical, Civil, IT & Computing, and management supported by 50 well equipped laboratories & computer facilities. Vel Tech group of educational institution was established in 1990 by Dr R Rangarajan and Dr R Sakunthala Rangarajan, who by then had 30 years of experience in developing industries and international trade. The group has a experience of 19 years of academic excellence and NBA, TCS & CTS Accredited. Also, about INR 667 lacks of funded research projects, consultancy, and seminar.

**Hindustan Aeronautics Limited (HAL)** came into existence on 1st October 1964. The Company was formed by the merger of Hindustan Aircraft Limited with Aeronautics India Limited and Aircraft Manufacturing Depot, Kanpur. The Company traces its roots to the pioneering efforts of an industrialist with extraordinary vision, the late Seth Walchand Hirachand, who set up Hindustan Aircraft Limited at Bangalore in association with the erstwhile princely State of Mysore in December 1940. The Government of India became a shareholder in March 1941 and took over the Management in 1942. Today, HAL has 19 Production Units and 9 Research and Design Centres in 7 locations in India. The Company has an impressive product track record - 12 types of aircraft manufactured with in-house R & D and 14 types produced under license. HAL has manufactured over 3550 aircrafts, 3600 engines and overhauled over 8150 aircraft and 27300 engines.

**Center for Military Airworthiness & Certification (CEMILAC)** was established in 1995 to coordinate and consolidate certification activities. In a span of twelve years CEMILAC has established its credentials in Airworthiness Certification of Military Airborne stores. The CEMILAC corporate office, located in Bangalore has 14 Regional Centres (RCMAs) spread all over the country, each with an unique core competence.

The Seminar on **“Helicopter Technology”** was inaugurated by Chief Guest, Vice Chancellor of Anna University, Chennai, **Dr. P. Mannar Jawahar**. In his speech, he spoke about the importance of Helicopters during the disaster management and warfare. **Dr. K. Tamilmani**, Guest of Honour, Chief Executive of CEMILAC spoke about the origin of India Aeronautics and its development and current scenario of technologies that made India proud. Speakers Shri DSD Prasad Rao, RWR&DC, HAL, Shri Vivek, Sc 'C', RCMA(H/C), Shri Mathew P.Samuel, Sc 'E', RCMA(Eng), Shri Habeeb Rahman, Sc 'C', RCMA(H/C), Shri Jeeva Peter, RWR&DC, HAL and Shri Anurag, Sc 'C', RCMA(H/C) spoke about the different fields related to the Helicopters in their presentation. More than 500 students, faculty members, professionals and researchers from different institutions and organizations around the country have attended the seminar.

**Prof. Dr. R Rangarajan**, the founder-chancellor of Vel Tech University, Chennai presided over the function. He said, “This seminar will give idea about the technologies that are used in the helicopters which are playing crucial role of Indian Defense Services”.
